

Good talking to you Rod. Hope this helps:

I have two comments on Rod:

- My introduction to Rod came from afar several years ago. I observed him at a local restaurant where he had breakfast meetings. It was easy to see he was a believer and was using his breakfast time to mentor men. I've come to find out this is what Rod's about – sharing the gospel and helping people grow in their relationship with the Lord.

- If you're going to wade into ministry in correctional institutes, you expect to deal with a rough crowd. However, the rougher crowd can be the political opposition. Rod ministers in these arenas with zeal for what the Lord can do with a surrendered life while dealing with opposition.
